INFORMED CONSENT FOR TELEMEDICINE SERVICES

Patient Name: _____ DOB: _____

Patient Address: _____ City: _____ State: _____ Zip: _____

PROVIDED BY: SCDI / VINCE AFSABI M.D., SELISE JAMES PA-C, & ASSOCIATES

INTRODUCTION

Telemedicine involves the use of electronic communications to enable health care providers at different locations to share individual patient medical information for the purpose of improving patient care. Providers may include primary practitioners, specialists, and/or subspecialists. The information may be used for diagnosis, therapy, follow-up and/or education, and may include any of the following:

- Patient medical records
- Medical images
- Live two-way audio
- Output data from medical devices and sound and video files

Electronic systems used will incorporate network and software security protocols to protect the confidentiality of patient identification and imaging data and will include measures to safeguard the data and to ensure its integrity against intentional or unintentional corruption.

EXPECTED BENEFITS

- Improved access to medical care by enabling a patient to remain in his/her office (or at a remote site) while the physician obtains test results and consults from healthcare practitioners at distant/other sites.
- More efficient medical evaluation and management.
- Obtaining expertise of a distant specialist.

POSSIBLE RISKS

As with any medical procedure, there are potential risks associated with the use of telemedicine. These risks include, but may not be limited to:

- In rare cases, information transmitted may not be sufficient (e.g. poor resolution of images) to allow appropriate medical decision making by the physician and consultant(s);
- Delays in medical evaluation and treatment could occur due to deficiencies or failures of the equipment;
- In very rare instances, security protocols could fail, causing a breach of privacy of personal medical information;
- In rare cases a lack of access to complete medical records may result in adverse drug interactions or allergic reaction or other judgment error;

FINANCIAL POLICIES

Please read and sign below: South Coast Dermatology Institute (SCDI) recognizes the need for an understanding between patient and doctor regarding financial arrangements for medical care. The benefits that I may receive from my insurance company are a settlement matter solely between myself and the insurance carrier. I agree that payment responsibility for copays, meeting deductibles, payment shortfalls or percentages is my direct obligation and are due and payable at the time of service. Please note that the patient is responsible for any and all charges not paid for by the insurance company.

INSURANCE PLANS: COVERAGE AND ELIGIBILITY

SCDI is a provider on many PPO insurance plans. We do not accept any HMO or any Medicare HMO plans, including Greater Newport Physicians and Monarch. Some of the services offered by SCDI may not be covered by insurance companies because they are considered "not reasonable and necessary" or they are cosmetic in nature. This is determined entirely by the insurance company. If I receive services that are not covered by my insurance company because they are considered "not reasonable and necessary", I agree to pay those charges in full.

If it is determined after submission of my forms to my insurance company that I am ineligible for coverage I do agree to pay those charges in full.

If SCDI is not on my PPO plan and I elect to be seen at his office, or I do not have insurance, I agree to pay in full for all services at the time of the visit.

COSMETIC PROCEDURE PAYMENT AND CANCELLATION POLICY

Cosmetic procedures are not covered by insurance. We offer cosmetic consultation with our aesthetically trained Patient Coordinator or Medical Esthetician for a nominal fee. There is a \$75 fee for cosmetic consultations with a physician. All cosmetic consultation fees can be applied to products or procedures purchased within 30 days of the consultation.

All cosmetic procedures are non-refundable and payments are due at the time of service or prior.

APPOINTMENT CANCELLATION POLICY

A \$25 no-show fee will be charged to your account if you fail to cancel or reschedule your appointment at least 24 hours in advance.

PRODUCT RETURNS

Any product purchased may be returned or exchanged within 7 days of purchase. A 20% restocking fee will apply to all product returns

OTHER CHARGES

A fee will be charged for any returned checks.

I understand that if blood work or biopsies are done, that I may receive a separate invoice from the laboratory or the pathology doctor who reviews and interprets my biopsy specimens at a later date. I will be responsible for paying all such invoices directly to that laboratory or physician.

ASSIGNMENT OF INSURANCE BENEFITS

I hereby assign SCDI all money to which I am entitled to for medical and/or surgical expense relative to the services rendered, but not to exceed my indebtedness to SCDI. It is understood that any money received from my insurance company, over and above my indebtedness will be refunded to me when my bill is paid in full. I understand that I am financially responsible to SCDI for charges not covered by this assignment. I further agree that in the event of non-payment, to bear the cost of collection, and/or court costs and reasonable legal fees should this be required.

AGREEMENT AS TO RESOLUTION OF CONCERNS

"I", "Patient/Guardian" shall be understood to mean _____. (name of patient or guardian)

"Physician" shall be understood to mean SOUTH COAST DERMATOLOGY INSTITUTE, Vince Afsahi. M.D. and associates

Further, I understand that I am entering into a contractual relationship with the Physician for professional care. I further understand that meritless and frivolous claims for medical malpractice have an adverse effect upon the cost and availability of medical care, and may result in irreparable harm to a medical provider. As additional consideration for professional care provided to me by Physician, I, the patient/guardian and/or my representative agree not to advance, directly or indirectly, any false, meritless, and/or frivolous claim(s) of medical malpractice against Physician.

Furthermore, should a meritorious medical malpractice case or cause of action be initiated or pursue, I (the patient) and/or my representative agree to use American Board of Medical Specialties ("ABMS") board-certified expert medical witness(es) in the same specialty as Physician. Furthermore, I agree that these expert witnesses will be members in good standing of and adhere to the guidelines and/or code of conduct defined for expert witnesses by the American Academy of Dermatology

In further consideration for this, the Physician agrees to the same stipulations.

Patient/guardian and Physician acknowledge that monetary damages may not provide an adequate remedy for breach of this Agreement. Such breach may result in irreparable harm to Physician's reputation and business. Patient/guardian and Physician agree in the event of a breach to allow specific performance and/or injunctive relief.
